English Women Will Appeal Here for Aid in Behalf of Fatherless.

Florence M. Schofield and Ellinor Fell Behind Movement to Care for Children in France.

Miss Florence M. Schofield and Miss Miss Florence is Scholled and also Ellinor Fell, two English women in America to enlist aid for the fatheriess children of France, will return to Washington to present their cause at an open meeting to be held at New Masonic nple auditorium, Thirteenth street New York avenue northwest, Decem-

ber 5, at 3:30 o'clock.

Dr. Neville Monroe Hopkins will open the program with a series of moving pictures showing present conditions in France and throwing a vitally interesting sidelight on the devastation of war in the realm of child life.

Schotleld and Miss Fell, who are personal representatives of Alfred Croiset, head of the Sorbonne and director of the 'Orphelinat des Armees," society organized in France for the urture and education of the children of her soldiers, have been signally accessful in their efforts to establish an American branch of the organization. They made their first address on the subject about three weeks ago at a small meeting at the bome of Mr. and Mrs. Hennen Jennings, and from this developed a comprehensive plan of campaign, which it is hoped will spread the work throughout the Union. Notable on the American National Committee on the American National Committee already fairly well established, are Cardinal Gibbons. Rev. Hamilton Schuyler, Hennen Jennings. Joseph Choate, Frederick W. Whitridge, Frederick R. Coudert, Frederick Huidekoper, and Mesdames Franklin K. Lane, Charees B. Hamilin, Douglas Robinson, William A.
